Notice: CCR Workshop on September 12, 2003

New FAR policy will require that all Federal Agencies use the CCR as of October 1, 2003. The Integrated Acquisition Environment (IAE) Business Partner Network (BPN) team is sponsoring a CCR Workshop on September 12, 2003 that will assist your Agency in the Federal rollout of this program. Online registration is now available. [View list of nearby hotels.](#)

Proposed Rule for CCR in FAR out for public comment

Security Alert

If you receive a letter from the Department of Transportation requesting your TPIN number, do not respond. DO NOT give your TPIN number to anybody. Your TPIN number is a confidential password into your CCR information. If you feel your TPIN number has been compromised please have your CCR Point of Contact call the CCR helpdesk at 888-227-2423 or 269-961-4725 to request a new one be assigned to your company. NEVER give your TPIN number to anyone.

Federal Agency Registration

I was told all federal agency buyers and sellers have to register in the CCR - is this true?

If you are still experiencing log on problems to the WAWF application, please assist us in analyzing these events as follows: We request you to stop exactly where you have encountered the problem and promptly report your problem to the Ogden Help Desk. Ogden will provide step by step instructions for data capture.

WAWF v3.0.2 is experiencing difficulties with users logging on with their Common Access Card (CAC) and PKI certificate. We're working to resolve the problem. In the interim, current CAC/PKI certificate users will be issued USERID/Password to access the application. If you previously used a CAC/PKI in WAWF and haven't received an email with your one-time password, please contact your Group Administrator (GAM) or the WAWF Ogden Customer Support Center. We apologize for any inconvenience this may cause and thank you for your patience.
